

## **ST. ANDREWS RESIDENTS ASSOCIATION AND NEIGHBOURHOOD WATCH.**

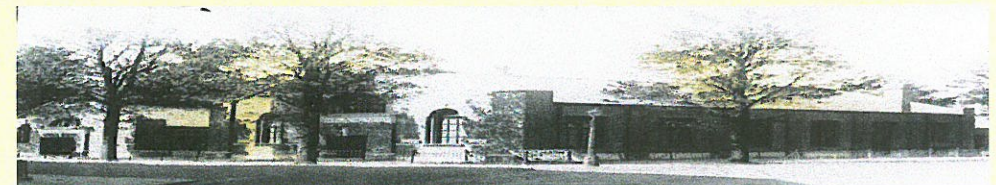

One of longest running resident's association in Hastings.

Dedicated to getting the best for the area, we work with the Council, County Council and Police, to ensure the area and residents living within it are supported and assisted with any problems that may occur.

The railings around the car park, the gardens and walls around the Salvation Army were provided by funding applied for by STAR.

As a group we have had successful petitions around planning and parking.

We have held Community days and provided StreetPlay for the children of the area. None of this can be achieved without the support of the residents.

### **SUNFLOWER COMPETITION.**

How tall will yours grow? STAR is holding a competition to see who can grow the tallest Sunflower. Judging will be held on the 1<sup>st</sup> Saturday in September. Judges will walk around the area on this day. Just leave the plant outside with a name and contact details and we will get back to you.

### **BEST FRONT OF HOUSE.**

Whether it is a window box or a full garden. Let's be proud of our fronts. We will be asking an independent judge to choose who wins, various prizes and trophies will be awarded to the best kept 'front of house', garden, or window box This is open to everyone in the area.

### **NOTICEBOARD.**

We are applying for planning permission to erect a noticeboard on the car park railings. This has been kindly funded by Castle Ward Forum

## WHAT'S NEXT?

We need support with 'Clean up Days' and maintaining the small garden by the side of the car park. We need residents to take pride in the area. Feel confident that they are being listened to.

Councillors attend meetings but we need YOU to attend too. With the new notice board, meetings will be better advertised.

What would you like, how can the area be improved, what bothers you? What would you like STAR to do?

Please contact us with your ideas
